Feeds America

Welcome to this Friday's Edition of YourFMO Feeds America!

Happy Friday the 13th! It's time to Feed America so let's get down to business. This week you had 5,880 submitted apps and that's bringing us close to yet another huge milestone. Here's a fun fact for you. Last year on 9/13, we were at 1,667,590 enrollments. That's 1.3 million applications of growth and definitely something to be proud of!! Have fun out there, 32 days until AEP!

This year we are making a weekly donation to Feeding America for the prior week's SunFire enrollments in the name of a person at AmeriLife, or carrier partner that touches our MA world.

In Honor of:
